Dear Mr. Foss:

It is my pleasure to inform you that Skogli Health and Rehabilitation Center AS has been issued CARF accreditation based on its recent survey. The Three-Year Accreditation applies to the following programme(s)/service(s):

Interdisciplinary Outpatient Medical Rehabilitation Programmes (Adults)
Interdisciplinary Outpatient Medical Rehabilitation Programmes: Stroke
Specialty Programme (Adults)
Occupational Rehabilitation Programmes (Adults)
Occupational Rehabilitation Programmes - Comprehensive Services (Adults)

This accreditation will extend through June 30, 2025. This achievement is an indication of your organisation's dedication and commitment to improving the quality of the lives of the persons served. Services, personnel, and documentation clearly indicate an established pattern of conformance to standards.

The accreditation report is intended to support a continuation of the quality improvement of your organisation's programme(s)/service(s). It contains comments on your organisation's strengths as well as any consultation and recommendations. A Quality Improvement Plan (QIP) demonstrating your organisation's efforts to implement the survey recommendation(s) must be submitted within the next 90 days to retain accreditation. The QIP form is posted on Customer Connect (customerconnect.carf.org), CARF's secure, dedicated website for accredited organisations and organisations seeking accreditation. Please log on to Customer Connect and follow the guidelines contained in the QIP form.

Your organisation should take pride in achieving this high level of accreditation. CARF will recognise this accomplishment in its listing of organisations with accreditation and encourages your organisation to make its accreditation known throughout the community. Communication of the accreditation to your referral and funding sources, the media, and local and federal government officials can promote and distinguish your organisation. Enclosed are some materials that will help you publicise this achievement.

Your organisation's complimentary accreditation certificate will be sent separately. You may order additional certificates from Customer Connect (<https://customerconnect.carf.org>).

If you have any questions regarding your organisation's accreditation or the QIP, you are encouraged to seek support from Juliana Gregory by email at jgregory@carf.org or telephone at +001 (520) 325-1044, extension 7148.
